

Travel with Blekingetrafiken

This is the Travelcard (Resekortet). We recommend pay-as-you-go (Reskassa). Then you top up your card with an amount of money and pay each time you travel. When you pay like this you always get a 20 % discount. When there is no more money on your card, you can always refill it.

Pay your fare on board by using a credit or debit card. We accept VISA, MasterCard, Maestro and VISA Electron. When you pay with your credit or debit card on board though, it is more expensive. Remember that you cannot pay with cash on board!

Ticket machines are found in many locations throughout Blekinge. You can use them to refill your Travelcard and/or purchase your ticket. The ticket machines accept credit or debit cards, as well as the Travelcard.

If there is room for it, strollers, walkers and wheel chairs should be placed on selected areas and have to be strapped.

Always use the safety belt on board the bus.

Children/school children under 20 years pay 60 % of the adult rate.

For families: If you buy an adult ticket you can bring two children under 7 years free of charge. For the third child you buy a child/school children ticket.

You cannot consume any food or beverages you have brought on the bus.

Please do not put your feet up on the bus seats.

If you have forgotten anything on the bus, please contact Bergkvarabuss on +46 (0)455-30 85 00.
